

Great Value  
Great Support

**CARBON**  
high on performance

# CARBON

high on performance

Today's work culture includes long hours of sitting. In the sitting position, poor postural habits tend to develop. Such habits in an office chair can create muscle tension and pain in the upper back, lower back and legs.

CARBON is a task chair designed to handle long hours of serious sitting. Its well-designed back and arms bring an element of sophistication to any workspace. Its strong yet flexible lumbar back support helps promote good posture by simply filling in the gap between the lumbar spine and the seat, supporting the natural inward curve of the lower back.

1. Wide backrest
2. Strong lumbar support for healthy seating
3. Armrest (with an option of fixed / 1D armrest)  
(Height adjustable up to 210mm)
4. Waterfall edge seat for comfortable seating
5. Synchronous mechanism for ease of reclining position locking
6. Tension knob for ease of reclining
7. Gas lift for seat height adjustment
8. Nylon base tested for static load of 1,250 kg.
9. BIFMA compliant castors tested for 100,000 cycles

## Wipro Seating Advantage

Wipro Seating provides safe and healthy seating that enhances productivity through:

- Ergonomic designs for better user comfort
